OPPORTUNITIES

Student Application

Due Date: February 21, 2020

Dear Applicant:

The Creating Entrepreneurial Opportunities (CEO) Class Board of Directors welcomes your application to participate in the 2020-2021 CEO Class.

CEO is a year-long course designed to utilize partnerships that provide an overview of business development and processes. The local business community partners with area schools to create project based experiences for students by providing funding, expertise, meeting space, business tours and one-on-one mentoring. Students visit area businesses, learn from guest speakers, participate in a class business, write business plans, and start and operate their own business. Business concepts learned through the experiential CEO class are critical; the 21st century skills of problem solving, teamwork, self-motivation, responsibility, higher order thinking, communication and inquiry are at the heart of student development throughout the course.

The class meets for 1.5 hours each school day from 7:30 - 9:00 a.m. in a variety of businesses. The class is facilitated by a certified instructor and completely supported financially by our CEO Business Investors.

The attached application must be completed in full and returned to your guidance counselor on or before February 21, 2020. You will be notified of your acceptance status no later than March 30, 2020. Thank you for your interest in CEO. We look forward to reviewing your application.

Thank You,

CEO Board of Directors

****This year's Kokomo CEO Class Business, The CEO Summit, will be Wednesday, January 29th at Northview Church. Prospective students are encouraged to attend.**
